Was it magical, momentous, and completely earth-shattering? Or was it sloppy and self-conscious? Cecil Castellucci realizes that bad boys can be good kissers. Lisa Papademetriou relives being a Texas girl at a Vermont summer camp-and one momentous night in the woods. Amy Kim Ganter draws her first kiss with her future husband in full comic-book form. And those are just a few of the many stories in First Kiss (Then Tell), a collection of anecdotes, poems, cartoons, and stories that are altogether hilarious, heartwarming, and memorable-just as a first kiss should be. This unique collection features pieces from today's hottest young-adult authors, and is packed with extras like kissing advice, trivia, and favorite quotes. First Kiss (Then Tell) will make readers want to relive their own magical moments all over again-or imagine what it might be like someday . . .
