The big fight is near.

Quentin struggles to find a new sparring partner after being double crossed by Marquis. Pretty Boy Q finds a reprieve when gym owner, Deon, finds him a more than apt former boxer to assist the boy. In the midst of preparing for the big tournament, Quentin, Santana and all the boxers find out that the gym they rely on may be shutting down. It's a realization that forces them to put their rivalries to the side, if only for a moment. Boxing saved the lives of these young men.

And their appetite and desire to push on will make them do things they never imagined. When the opportunity to step up to save Deon's gym presents itself, the boxers come to terms with what needs to be done. Quentin and Santana face each other in the ring in a more than athletic face off. This preemptive match will be something they never forget.
