Li Nguyen, aka Juice Box, has never really had a friend. That is, until he meets the ultra cool, super mysterious Shame. Though Juice Box feels certain this is his new BFF, Shame's dark past and nefarious entanglements get them both into serious, life-threatening trouble. It doesn't help that Shame inadvertently pissed off one of the baddest crime bosses in Baltimore, Anna Nguyen (aka Laoban), who also happens to be Juice Box's cousin. Shame stirred up trouble with a rival game, putting Anna and her crew in a precarious situation. Torn between his love for Anna and his new, exciting friendship with Shame, Juice Box must choose where his loyalties lie. Will he choose family and leave Shame out to dry, or will he choose the only friend he's ever had, despite the danger?
