THE LEGENDARY 'LOST' DOCTOR WHO ADVENTURE The Doctor and Romana visit Professor Chronotis, a retired Time Lord living at Cambridge University. The Professor wants to return an ancient and very powerful book to Gallifrey — but the book has gone missing. Skagra, an evil scientist, steals the book and the Professor's mind — and also takes Romana and the TARDIS. In order to stop Skagra, the Doctor must discover the secrets of a notorious Time Lord criminal, and a long forgotten prison called Shada... This is an unofficial and unauthorised fan publication.
