Madly in love ...No one at Sweet Valley High can believe that football star Ken Matthews has fallen in love with super-sophisticated Suzanne Hanlon. Suzanne likes poetry, gourmet food, and art films, while Ken's idea of a good time is listening to rock 'n' roll and eating pizza. Two people couldn't be more different. Elizabeth Wakefield knows that snobbish Suzanne is wrong for Ken. But Ken seems to be blindly in love with Suzanne and is willing to do anything she wants.

Can anyone help Ken come to his senses before he gets hurt?
