His brother slash boyfriend, Drew is leaving him. It makes Zach unaware of his surrounding and a hate-crime psycho takes him off guard. He is kidnapped and tortured. Zach is saved by the FBI and as a surviving witness, he is brought to stay with FBI Agent Eugene Harris. Gradually, Eugene gets to know Zach.

He should have been disgusted, but instead, all he wants is comfort Zach. Will Zach accept that Drew is not coming back? Will Eugene finally have the gut to tell Zach how he feels?
