As general practitioner to Eurong on the Queensland coast, Dr Nikki Russell deliberately led a quiet life with small daughter Amy. Needing three weeks to revise for an exam, she took on a locum to allow time to study. Dr Luke Mariott was a shock - why would a young, obviously highly qualified doctor with above surgical skills be doing locum work - and avoiding his family like the plague? By the time Nikki found out, it was too late - she was already deeply in love, with a man who had no intention of staying...
