Headgames marks the eighth issue for the collection of artists, illustrators and cartoonists that comprise Meathaus. Featuring brand new works by a variety of Meathaus favorites, including James Jean (Fables), Tomer Hanuka (Bipolar), Brandon Graham (Escalator), Jim Campbell (Krachmacher), Tom Herpich (Cusp, gongwanadon), Dash Shaw (Love Eats Brains) and Farel Dalrymple (Pop Gun War) and more. As with Meathaus' most recent release Love Songs, Headgames allows the cartoonists to focus their creative energies around a loose theme, providing a compelling structure for innovative storytelling.
