The sexy and heroic Captain Red Hardison is on his way to visit his eccentric Grandpappy when he stumbles across Anya Rolf. After she leaves him naked and robbed (but not unsatisfied) in the woods, he learns Anya's true target: his wealthy grandfather. With time and a dangerous forest against him, can Cap save his beloved Grandpappy in time? Olivia Hunter is on a mission for revenge against the evil woman who poisoned her father. Encountering the handsome Cap in the woods, Olivia may have finally found the key to stopping Anya before she takes her next victim. Sure, Cap's inexperience in the forest can be annoying, but even Olivia isn't immune to the muscular view. This mature romance involves valiant swashbuckling, stormy love-making, and a villain you'll want to sink your teeth into. NOTE: Each book in the "Sexy Reversed Fairy Tales" series stands on its own and can be read in any order.
