When Jen volunteers to be a surrogate mother for a wealthy alien couple, she has no idea what she's getting herself into... The year is 2500. Humans and aliens co-exist, both on Earth and throughout the universe. Jen is a young human woman who is desperate for money, so she decides to volunteer to be a surrogate mother. An alien couple choose her to be the mother of their baby, and she gets offered the deal of a lifetime. All she needs to do in return is travel to a far away planet and let a strange, brutish alien take her hard and without protection and knock her up... This 5700 word erotic short is the first part of the exciting new serial Alien Surrogacy by Sierra Chambers.
