The stakes are high in the second installment of The Iron World Series as Avery Quinn decides which path her life will take. Become a vampire and be with Jack forever, or pledge herself to the Fey and help save Faerie from the horrible Queen Mabry? The more she thinks about it the more she wants to remain human.

But as she sinks further into the magical world she has come to love, Avery realizes that remaining human is next to impossible, especially when a dark king sets his sights on her. To make matters worse, a secret society of shape shifters have sworn themselves as Avery's enemy all because of a certain classmate with a caustic temperament. With a mythical war brewing and Evaine close on her heels, Avery must decide who to give her humanity to before it's too late.
