In the simple, no-fuss style of the *Freelance Writer's Guide* series of books, Mridu Khullar Relph focuses on the business of writing. When the creative work is done, this is the instruction manual you need to make money. --- Mridu Khullar Relph is a freelance journalist, author, and entrepreneur. She's lived and worked from four different continents and several different countries. She currently divides her time between London and New Delhi. She's been published by *The New York Times*, *TIME*, *CNN*, *ABC News*, *The Independent*,

GlobalPost, Elle, Vogue, Ms., and more.

Her assignments have required her to trek up and down the tsunami-ravaged coast of India, live with Tibetan nuns, interview coffin makers in Ghana, learn how mobile phones are designed in the US, and much more. In addition to over 700+ bylines, her career has allowed her to acquire a husband, a child, a dog, and an aversion to getting up early.
