She was the most alluring murder suspect he'd ever dealt with, but Gently knew Mimi Deslauriers was key to the execution of an underworld crime boss, and he was determined to prove it. The unflappable Inspector George Gently has become a household name through the hit BBC TV series starring Martin Shaw. These are the original books on which the TV series was based, although the George Gently in Alan Hunter's whodunits is somewhat different to his TV counterpart. He is more calculating, more analytical, and his investigations are even more enthralling.
