This is the first book of the 'Raw Desire' Series. A seriously hot and provocative submission series by Lucia Jordan. Two weeks after breaking up with her fiancé, Ava Parker walks down the aisle in church as a bridesmaid. The pitiful glances she receives along the way make her grit her teeth, because apparently, she is expected to be morose and miserable that her cheating fiancé is finally out of her life. However, one pair of eyes stares at her differently, in a way like never before and these eyes are situated right at the end of the aisle, next to the groom. It is not pitiful, not sympathetic, and the green orbs glitter with interest as they rove over her boldly. It's a gaze unlike any she's met before. Will Ava be able to deal with everything that the owner of that strong lusty gaze has in store for her vulnerable body and heart? Like Ava, Mark Vidal has also just ended a relationship—a relationship that tested his partner's boundaries as a Submissive. Ava is unlike any other woman he has ever laid eyes on, and as she stumbles beneath the heat of his possessive glare, he vows to make her his—no matter what the cost. This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
