Clarye was content to be a teacher at a small school for girls in tiny Cado, Mississippi. That is, until she chaperoned a group sailing in the Caribbean on their senior trip. Handsome charter captain Tony thought he had the ideal life, taking guests sailing in the tropical waters without a care in the world. Everything changed with a dance and a kiss that ignited the fires of passion in them both and led to more exploration of the emotions that were unleashed. They soon found they were no longer content with their lives void of passion, and were eager to chase the affairs of their hearts.
