Adult Only Warning: This is Totally TABOO Erotica! When Christina gets caught turning in a plagiarized paper to her professor, who also happens to be her best friend's mother, she knows she's in deep trouble and might even get expelled. But when the sexy older woman gives her a chance to make it up by accepting a different type of punishment, Christina eagerly accepts. Now, Professor Elizabeth has Christina bent over her lap, her hand slipping up her student's bare thighs so she can give a very intimate spanking, and that's only the beginning of Christina's very erotic punishment. For Adults Only: This TABOO short story (about 5,000 words) is loaded with hot, erotic sexual situations between an older woman and a younger woman including multiple orgasms, spankings, cunnilingus, and more! It is intended only for adults over the age of 18 and all characters in it are represented as 18 or older.
