Two years after her brother Nate died during a Navy operation, aquator Nautia Olson's nightmares began, and her ability to manipulate water became erratic. Anger, fear, joy, desire—they all trigger disaster. Now, the Navy wants her for a top-secret mission, but Captain Riley Barton has his reservations. He's read her file. He knows the damage she's capable of, and yet— She's powerful. If he can harness her ability—break through her walls— She'll be unstoppable.
