God has called Christians to a life of holiness, sanctification and spiritual liberty. Throughout the Bible, God warned man not to sin. Yet there are still believers bound in sin. They err because they are attempting to live a spiritual life through their physical energy, and it cannot be done.

The Lord God said, 'I will put my Spirit within you, and cause you to walk in my statutes, and ye shall keep my judgments and do them' (Ezekiel 36:27). Through the Holy Spirit, the believer can obtain spiritual victory over the flesh. The key is remaining obedient to God, the Holy Spirit. Living the Spirit Empowered Life will help place you on the path to a life of holiness and spiritual liberty.
