In this book you will find 57 powerful prayers that will go with you for a life time. Prayers are dialogues with the Lord. It is our way of having a deeper relationship with Him. Through prayers, we acknowledge God as our true Redeemer and Savior. As Christians, we always start and end our day in prayer. It is a solemn act that recognizes the power of the Almighty Father over us, and of affirming our Christian faith. It is a ritual that serves to remind us that God is the anchor of our lives; a testament that we remain as true followers of Christ in all our acts, words, and deeds.
