Dan Wheeler thought he'd found lasting love and stability, but when it's all taken away, can he take a chance on something new? In *Dark Horse*, Dan meets Evan Kaminski and Jeff Stevens while selling a horse and finds himself drawn to the pair of lovers. In *Out of the Darkness*, Dan is building a new life for himself in California with Evan and Jeff, but can the three of them find balance in their tumultuous relationship? In *Of Dark and Bright*, Dan, Evan, and Jeff have found their happily-ever-after—mostly—but when Dan's long-lost sister shows up on their doorstep, the pressure may crack their foundations.
