In an all-out war against drug lord Don Jorge Luis Samosa, Mack Bolan has brought down both the Mexican and Costa Rican arm of a powerful cartel. But the price of victory has been high: his friend's life is on the line. The Don's power depends on the destruction of the U.S. government's drug interdiction fleet before it can blockade the sea smuggling routes.

Samosa's plan to sink the prototype will turn the tide of the drug war back in his favor.

Bolan knows that if his friend is made and comes to harm, Samosa will have America and the Executioner as enemies. It's the last thing he wants.
