Hannah was lonely. She thought when she hired the drifter, Rafe, to help her fix up her grandparent's old Victorian that it was a recipe for romance, but Rafe had another agenda--a secret he dare not divulge.

And unfortunately the attractive stranger she met also had another agenda and she was about to be caught in the cross hairs! Published: August 2016 Length: short story Word Count: 15,818 Genre: Urban Fantasy Romance Rating: Spicy
