The third in an epic series of three sections of the Oregon Trail and the completion of three love stories. Adelard Du Boise disregarded most people's judgments of him. He knew that as a French-Indian, he'd fit in nowhere and everywhere at the same time. When Ellen Winslow captured his heart, Del knew he'd do whatever it took to win her love. Ellen's father, stepmother, and two little brothers kept her busy while headed west. She didn't have the time or attention to give to a lovesick savage, no matter how handsome or well mannered he seemed. To her, Del would always be uncivilized. The Oregon Trail Series Undeniable - Book One - a spicy sweet love story. Undesirable - Book Two - a sweet love story with a distasteful secret. Uncivilized - Book Three - a spicy sweet love story.
