Historical FF Lesbian Roman Warrior Taboo Erotica Mercia is a beautiful young, inexperienced Roman slave, set to work in the Colosseum.

When her new master tells her that she is going to have to perform a special service for Flavia, the most famous, fearsome, female gladiator in Rome, at first she's terrified, and reluctant. But when she meets Flavia, and sees exactly what she has to offer, she's eager to show her just how much she wants it.

So eager in fact, that the two other sexy slaves she's up against don't stand a chance. This is a historical lesbian warrior erotica story, containing graphic scenes of a sexual nature.
