From the author of the Kellington series of Regency romances, comes the first novel about the Emerson family. Colin Emerson, the Earl of Ridgeway, has two unmarried sisters and a mountain of debt incurred by his late father.

He has no choice but to marry an heiress. It is most unfortunate, therefore, when he falls in love with a penni governess. Ava Conway has been making her way in the world since the death of her father. She takes a position as the governess to Lord Ridgeway's sisters, but finds her growing attachment to the earl threatens his family's future. Bound by honor, torn by love, can Colin do right by his sisters while following his heart? **WARNING:** This book contains explicit sexual content and adult situations. You will not like this book if you don't like either of those two things.
