Gemma had been to her fair share of parties, but this one was a bit different. It wasn't that long ago that she was a wild party girl, hitting up frats and luring studs into her web of drama and seduction. But those days were behind her. Today's party was for her young son, Arthur. As a rambunctious two year old, she hoped that he would have fun and remember it. Her back yard started filling with guests, including a tall broad-shouldered man whose eyes she found entrancing...

Rock wasn't sure how this was supposed to go.

He was a complete stranger, showing up at this lady's house and needing to have a very intimate conversation with her. He thought about turning around, getting back into his car and driving away. But then he heard a little laugh coming from the back yard. He knew instantly that it was his cub, and nothing was going to stop him from being the best father he could be! This 10,000+ word Novella contains secret baby Bear Shifter hotness, a Happily Ever After, No Cheating and No Cliffhanger! Also included are some free bonus stories as my thanks to you.
