**A VOW OF VENGEANCE** How far would you go to find the man who murdered your wife? For Jackson Stone, a Nashville advertising executive, avid outdoorsman and former Marine, his journey begins with an extraordinary press conference to announce his deadly intentions. The sensational comments quickly go viral, and reaction is swift—from the police to Jackson's family members to his church family, from bloggers to victim's right advocates to anti-violence groups. Everyone takes sides and his comments divide Music City like never before. Soon, the hunter becomes the hunted, and Jackson's fate will be decided in a suspenseful showdown at one of Nashville's iconic landmarks. There to chronicle it all is journalist Gerry Hilliard, who recounts his own role in tracking down the killer in his first "true-crime" book, 'Vendetta Stone'.
