Five sizzling hot and deliciously warped erotic tales from five of the finest erotica authors for a single bargain price! Brand new erotic stories from Ava Lore, Francis Ashe, Fannie Tucker, Raminar Dixon and Lucinda Lane. What are you waiting for? In the spring a young man's fancy may turn to thoughts of love, but the fancy of the Easter Werebunny turns to seducing young virgins! Explore a more sinister and sexy side of spring with this quintet of steamy stories where everyone is breeding like rabbits...

in more ways than one. From multiple manifestations of a legendary lupine lothario, to a magical gender swapping bunny suit, to the cotton-tailed submissive of an eccentric billionaire... when spring is in the air none of them can resist the urge to do what comes naturally. Please note: This anthology contains contains multiple scenes of explicit sex and is intended for adult audiences only.
