Every year thousands of Americans find themselves faced with an unexpected emergency. They face hurricanes, floods, tornadoes, or simply local power blackouts. Suddenly they find themselves depending upon survival preparedness to, at best, stay comfortable, or, at worse, alive. The Disaster Survival Guide is a comprehensive and easy-to-use pocket guide to help you cope with emergency situations. The Disaster Survival Guide will help you prepare for that moment when the lights go out and be with you to help you make it through the emergency. Survival knowledge and thoughtful preparation really pays off when the chips are down!
